Phone: (916) 427-7183 [6PM-11:30PM weekdays, 10AM-11:30PM weekends]  
Subs are on a sub balance basis. Current normal price is \$.30 per issue.  
Diplomacy is the registered trademark for a game (C) by Avalon Hill.

for phone orders which are due by January 8, 1985 at 11:30PM.

I have game openings in: 1>Bio-War(\$2), 2>Kregish Dip(\$2), 3>New  
Improved Extra Strength Dip(\$2), 4>Time Distortion Dip(\$1),  
5>Treachery(\$1), and one game of regular diplomacy(\$3). The gamefee for  
each game is listed after its name. Standbys are needed. You must sub to  
Hai! Jikai! to play or standby.

## SIGNED UP:

Regular: Graessle(pd)

Variant: Acheson(3pd)

Standby: Givan(R), Carter(R), Peters(R&V), Acheson(R)

## Odds and Ends:

- Change in Houserules (12.2): Orders will no longer be accepted via MCI Mail or TELEX.
- I'm considering allowing NMR insurance. Any comments for or against?
- I've gotten a lot of comments on my living on Seaside in Sacramento. Well, I'll have you know, I live right beside the Salton Sea (Way).
- Moving was hell, I'm still unpacking. The new place is nice though, I've got just tons of space. Once I get organized I should be able to stay that way.
- Some procedural changes are taking place with HJ. Deadlines should be 6 weeks apart now. I will be attempting to mail issues approximately one week after the deadline (if not a bit sooner). Results will be available by phone one week after the deadline (but not before).
- A word of warning to my Canadian players. Mail from Canada has been taking up to two weeks to reach me the past couple of months. That's one of the reasons I've pushed the deadlines apart a bit.
- During the move I turned up something I thought might interest you, even though it has nothing to do with Diplomacy. It's a Monopoly variant I created. It was favored by my family and friends, during the many times it was played we found it much more interesting than the regular game. Looking at it now there are definitely some changes I would make, but I'm going to print a copy of it this issue unchanged.
- Finally I would like to appologize for the lateness of this issue and for my less than communicative play in the games I'm in. The move just took priority, but I'll be getting back to normal now.

### **PRESS:**

**FRA-TURKEY:** You must be kidding! On the other hand, why should you... you can't stab me like Peters did.

**REYNOLDS-GM:** On to Pacificon! Watch for info on the dip game with a \$140 pot - Dave Grabar is organizing it!

**Germany-France:** You're right about one thing - that Limey is pretty slimey! However, he's also my fairy Godfather in this game, so please stop attacking him. Oh, he's attacking you? Never mind.

**Marc-Evans:** "Is France going to help, or not?" I'd say "OR NOT!"

**Marc-Clark:** Evans looks distinguished!?! More like EXtinguished, if ya ask me! Mark Frueh has more class! (Oops, now I've gone and done it.)

**Tur-Rus:** You weren't so smart after all. It doesn't take me very long to do my orders. Come to think of it, it shouldn't take you very long, either.

**Tur-Boursers** How about the way I've given you guys a chance to sell out? Nice, huh? Well, guess what. I'm on the comeback trail. Buy Turkey!

# **BOURSE PRESS:**

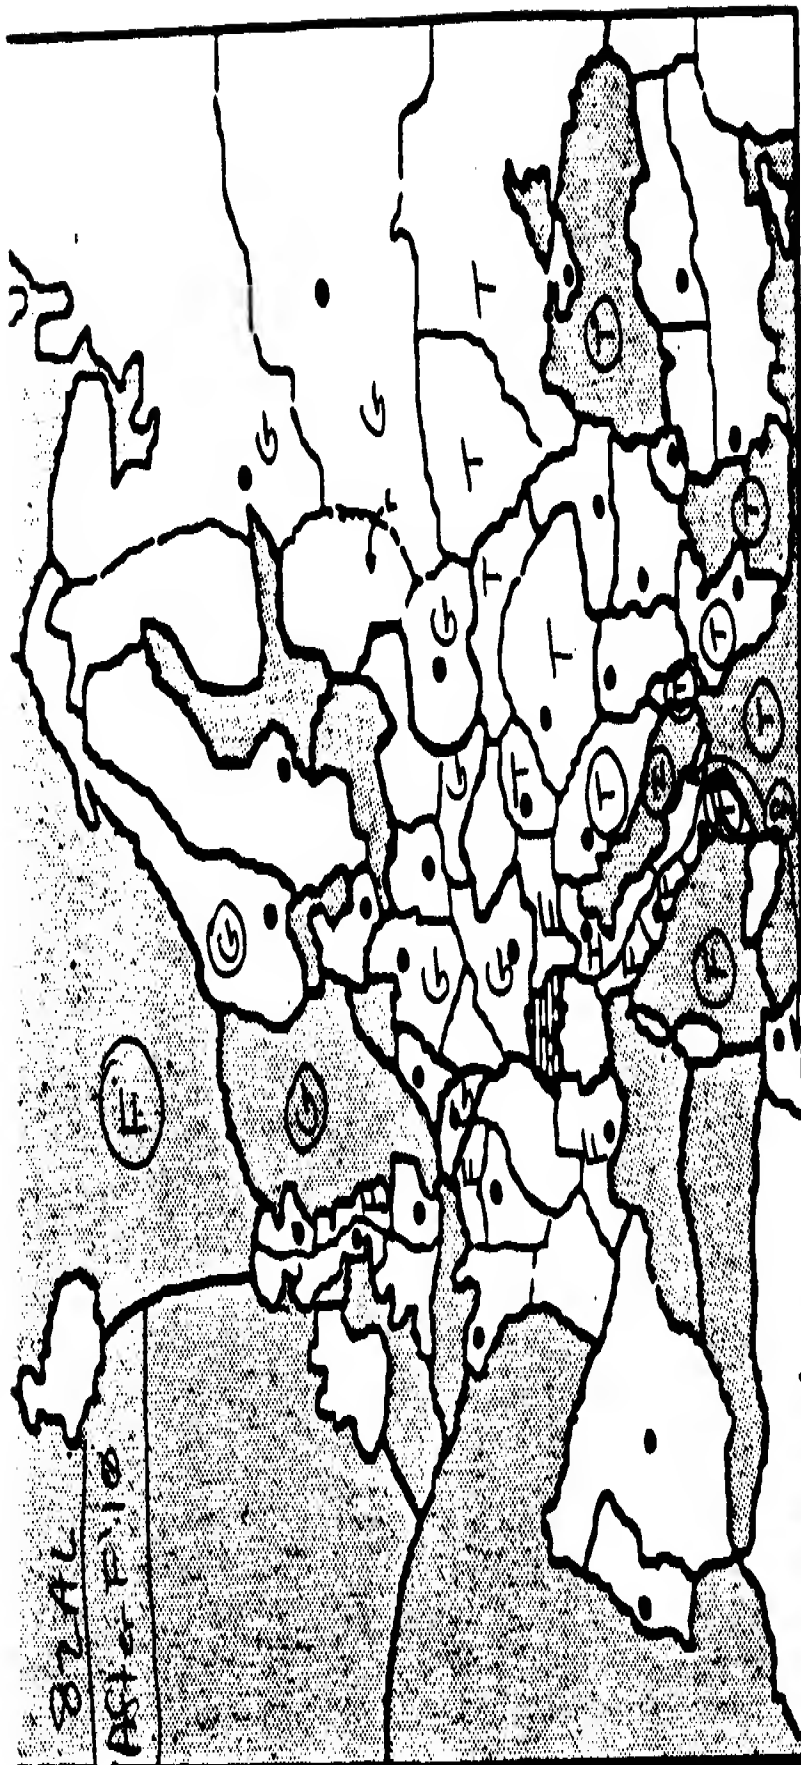

((SIC!!!))-PPM: Aye moust hav gottun ray bees frum yu. Yu awt tu bee shott.

LOS ANGELES: A bomb that was planted aboard the plane carrying the Turkish athletic team home from the olympic games this summer is now thought to be the work of international terrorist known as The Tinamou, say informed sources. The saboter, who is otherwise known for acts of financial espionage seemed to be "working on his own" in this case.

(BTMF): Train #4 is "the Porthole (not Pothole) Local", as baggage cars have only small round windows. But the entire railroad is called "The Pothole Line" as the roadbed has been so poorly maintained.

(BTMF): We keep up-to-date. A manager has been fired for not being informed of current events. Last year he predicted that Chicago would win the Big-10. For 1984 he said that SewaneeU would win in the Southeastern Conference.

**GM:** Germany did vote yes on the draw.

**Turkey:** I sure as hell didn't veto the draw. So who's going for it all?

## PRESS:

**Tur-World:** Neither the Padres nor I have won anything. At least one of us is going to get something, this year.

**GM-Tur:** Yes, they got very VERY lucky. They beat the vastly superior team (Chicago) for the penant. But, Detroit put them in their place in the series.

## SPIRAL MONOPOLY Rules

1. Play is the same as in normal Monopoly with the following exceptions.
2. The first space is GO. Movement spirals in from there with the last space being Boardwalk. The next space after Boardwalk is Go again.
3. There are two spaces on the board for each railroad. If you land on one, you pay the rent (if any) and then proceed to the other space of that railroad (collecting \$200 if you pass GO).
4. A Free Parking Pot is accumulated containing all taxes from the board and cards plus any fines paid to get out of jail and proceeds from the special space explained in rule #5. The Pot is collected by landing on Free Parking.
5. If you land on the Match the Free Parking Pot space. You must match the amount in the Free Parking Pot. If you do not have enough Cash to do so, you are only required to match it with what you have. You do not need to mortgage property to raise cash to pay on this space.
6. The Property Tax space requires you to pay your choice of \$300 or the following percentages of the value of your properties: 1% of lots, 2% of utilities, 10% of railroads, 10% of houses & hotels.
7. There are two Las Vegas squares. On the first one you roll the dice and collect 10 times the amount of your roll. On the second one you roll the dice; if you get a 2 or a 12 you collect \$300 and roll again, you continue to collect \$300 as long as you roll a 2 or 12.
8. There are 6 spaces on the board bearing a dice face. If you land on one you immediately roll 1 die and teleport to that space. You can not pass GO on a teleport.
9. Other special spaces are Advance To GO and Chance & Community Chest (combined). They should be self explanatory.

-----  
The first rule I would change would be the Las Vegas spaces. I would now make them more representative of gambling.

I imagine I should probably mention that Monopoly is copyrighted by Parker Brothers.
